SCS
Swiss Chemical Society

Event Name	**SCS Summer School on Analytical Sciences 2027**
Date	06.-09. June 2027
Location	Stoos Lodge, Stoos
Focus/Topic	The SCS Seminars are education events that focus on topics that are relevant for the Swiss chemical and pharmaceutical industry but are not enough considered during the academic education at universities. The focus of the inaugural edition will be Chemical Imaging of Cultural Heritage. Cultural heritage materials provide an exceptionally suitable framework for teaching chemical imaging. Paintings, pigments, archaeological objects, ceramics, metals, glasses, organic binders, polymers and conservation materials are intrinsically heterogeneous and frequently present complex stratigraphies.
Audience	PhD students and Postdocs as well as junior scientists from industry Max. capacity 35 participants + teaching staff
Website	https://anasci27.scg.ch (available as of Jan 2027)
